DEPAUL USA NEW ORLEANS

Depaul USA New Orleans houses homeless men and women with disabilities in its two scattered site housing programs: Rapid Re-housing for Chronically Homeless Individuals (RRCHI) and Coming Home (Permanent Supported Housing). Individuals in these programs, receive the following assistance/services:

- ❖ Rental & utility assistance
- ❖ Monthly cleaning supplies & toiletries
- ❖ Weekly case management services
- ❖ Linkages to physicians, psychiatry, & other medical/legal services based individual needs.

When residents are transitioned to permanent supportive housing, Depaul USA acts rapidly to house another person who has been living on the streets or in shelters. We do not believe the work ends because an individual is housed. Your donation also helps us provide additional services beyond housing and case management.

The table below summarizes the costs that Depaul USA incurs when it houses someone. Your contribution to Depaul USA helps us cover these costs and assists us in moving our brothers and sisters experiencing homelessness to safe housing.
